

# Student Uniform Dress Code

Revolution Academy students are expected to dress in proper uniform attire on all school days. Uniforms have been chosen that are comfortable, modest, durable and attractive. They are designed to limit distractions and help promote an orderly learning environment for all students. **The principal reserves the right to prohibit any clothing, hairstyle, or accessory that is found to be disruptive to the learning environment, even if not specifically disallowed by this policy.**

It is expected that the implementation of this uniform policy with consistency and fidelity will:

- Reduce peer pressure
- Help break down socioeconomic barriers
- Lower cost by reducing the number of outfits required
- Help improve student conduct
- Assist in the ease and convenience of choosing wardrobe
- Aid in the recognition of any non-students on campus
- Help in quick identification of students on field trips
- Create more serious classroom atmosphere
- Promote a positive student and school image
- Develop pride and a sense of belonging

It is the responsibility of the student as well as the parent(s) or guardian(s) to ensure compliance with the uniform dress code.
